# TRACKS TOWARD

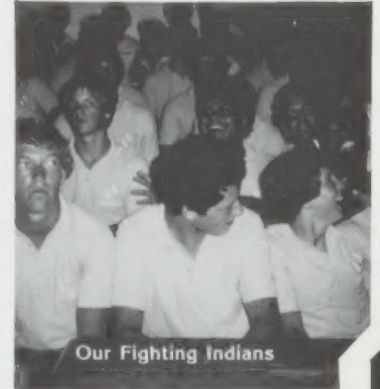

Through the fall semester, the Sanger Indians eagerly trekked toward the championship. As the school year opened, eager students with brand new ideas led many activities at Sanger High School. There was a dance, hall decorating, run-through signs, visiting cheerleaders, bonfire, & car painting sessions. Each Friday night was awaited with eager anticipation-

Could we win again? And the Sanger Indians were never disappointing. Each Friday Night brought them one step closer to a District Championship. The Indians were a fever that couldn't be stopped. The Indians succeeded in obtaining the District title. A community pep rally was held to cheer the Indians on toward the Bi-District game. The Indians had a great year.

If I hurry, maybe no one will notice!

## IN MEMORY

Tim Diepenhorst, a member of the class of 1984, is someone the seniors will always remember. Tim was a fine classmate, and his friendship will always be captured in memory and stored deep in the heart of every one of his peers. Tim was involved in rodeo activities, and was a contributor to Sanger's spirit and pride. The graduating class of 1984 is saddened at the loss of Tim Diepenhorst, but his memory will warm the hearts of his classmates forever.

# JUNIORS

### Juniors-Busy, Busy Juniors!

We are considered the busiest class because we spend more time raising money than any other class in school.

From September to May the sponsors and juniors were seen scurrying around making money. In September we washed cars at the Sella-bration. October's main event was decorating the first hall for "Most Spirited" during Homecoming week, and WE WON! We also painted Homecoming windows around town.

Just before Christmas we sold Candy and popcorn-filled sports cans, and worked concession stands at the basketball games. Always trying to make more money for that important goal-The Prom!

We planned, decorated, ordered favors, and provided refreshments for the prom we hoped to make the best ever.

This year has been exciting and important year in our journey through high school. We have made one important step toward graduation!

## HURRY FRESHMAN HURRY

We have finally arrived. All our lives we have looked forward eagerly to High School. This year we took the big step and joined the crowd in the halls of Sanger High and what a crowd we are, 80 strong and still growing. We've enjoyed participating in the school activities. The powder puff football game, hall decorating, Christmas decorating and all the rest have been great fun.

We eagerly look forward to making tracks towards our sophomore year ..

The Sanger FFA is a part of the national organization that has 106 students enrolled in vocational agriculture/agribusiness. Through active participation in the FFA, members learn by taking part in and conducting meetings, and taking part in community activities. Some of the things the Sanger FFA participated in this year were the working on the Ag. Barn, they sold fruit and sausage, they participated in a District Banquet in Krum, they hosted a "Turkey Shoot", and they tagged sheep, cows, etc. for the Denton County Livestock show. This has been a very productive year for the Sanger FFA.

# STAIRWAY TO HEAVEN

What a beautiful night! The stars of heaven were shining so brightly on April 19, 1984. The Prom incorporated Valet Parking for the first time at Sanger High. As you entered the front door, the song "Stairway to Heaven" was playing. Walking down the hall, you went by blue walls and through silver streamers. There was a beautiful fountain with running water. When you crossed over the lighted bridge, you stepped into a room full of stars and fog. In the middle of the room was a star with a flowing fountain in the center. There was a shower of stars.

Dancing in a fog was a new experience for some. The dancing started slowly but soon everyone was getting on the dance floor and dancing to the beat. There were refreshments such as punch (from a fountain?) and cookies. Favors and congratulations were given out about 10:30. The favors were a garter, and a souvenir book, napkins, and cup.

As the school year began, little did we dream that we would be the proud owners of the district 3-A championship title. We started the season off right by beating Pilot Point, the first time they've been defeated since 1978. Although our scores were impressive this year, we won't be satisfied. We've got our eyes set on the state championship for next year! Several of us had the honor of being picked for the all-district team. Those picked for offensive first team were James Williams, Toby Inman, Chuck Galbreath, Rodney Garrett and Tommy Frizzell. 2nd team included Greg Reding and James Jones. Defensive first team had Edward Garza, John Forrest, and Rowdy Patterson, and Michael Grace

was on second team. Those picked for Honorable Mention were Donny Knightstep, Edward Garza, Monty Elbert, Chuck Galbreath, and Toby Inman. Tommy Frizzell was picked for Offensive Player of the Year and Player of the Year, and Jack Biggerstaff was chosen for Coach of the Year.
